The success story is back, and you can be part of it.

Following the success of the Catella Swedish Open 2002 we are very pleased to be able to present this event in Sweden again. The 2003 tournament will be one of the biggest squash tournaments in Europe this season. The prize kitty for the Catella Swedish Open is even larger this time around, which guarantees that we will once again be able to see top-class squash in Sweden. The spectacular all-glass court adds a thrilling new dimension to squash, and the atmosphere enjoyed by the 1000 spectators on the final day at Linköping Sports Hall was surely the best experienced at any squash event in Sweden so far.

See it for yourself

The success of the "all-comers" Squash Cup at the 2002 tournament made it the biggest squash event ever held in Sweden. We are also continuing our excellent partnership with the Quality Hotel Ekoxen, and the big party on Saturday evening will once again be held at the popular Platå nightclub in Linköping.

This leaflet explains how you can book tickets and register for the Catella Squash Cup, which takes place at the same time as the Swedish Open. Some of the finals for the Squash Cup will be held in the all-glass court as warm-up sessions for the professional matches. At Linköping Sports Hall, which houses the all-glass court, there will also be a variety of displays, refreshments and activities.

You can also register for the official Swedish Open party and book hotel rooms at the Quality Hotel Ekoxen, which is the official hotel of the tournament and is situated just 200 metres from the sports hall.

We hope that you will find your stay in Linköping and your attendance at the Catella Swedish Open 2003 both enjoyable and memorable. We wish you a warm welcome to one of Europe's biggest squash events this season.
